

**INDEPENDENT**  
STEVEDORING LIMITED

**INDEPENDENT STEVEDORING LTD (ISL)** is an experienced stevedoring company specialising in:

- Added value commodities
- Terminal operations
- Log stevedoring
- Bulk cargo
- Project cargo
- Fresh produce

ISL offers a reliable, flexible service to ensure ships are turned around in the quickest possible time with the best in cargo care. ISL has offices in Tauranga, Mount Maunganui, Napier and Whangarei.

#### **STABILITY, RELIABILITY AND FLEXIBILITY**

Independent Stevedoring was founded in 1997 on the principles of social responsibility, good staff relations, a strong safety focus and trust. These principles have direct benefits for customers. ISL offers stability, reliability and flexibility with jobs finished on time and to the highest quality.

The company's management team shares more than 100 years experience in the industry. The simple hands-on corporate structure allows the company to respond quickly to challenges and provide innovative, tailored solutions.

#### **INNOVATION AND SAFETY**

From its first days, Independent Stevedoring won a reputation for developing simple, innovative solutions to common problems, streamlining performance and improving efficiency. ISL's primary aim is to turn ships around in the shortest time possible to minimise costs for shippers and carriers. However, safety is also of paramount concern. The company's motto is: **"No job or task is that important that we cannot take the time to do it safely"**

## EXPERTISE IN MANY CARGOES

Independent Stevedoring has an international reputation for the skilful handling of a variety of mixed break bulk cargoes. ISL is a key service provider for Port of Tauranga at the Tauranga Container Terminal, as well as handling a wide variety of cargo for other customers such as Swire Shipping, Ballance Agri-Nutrients and Dominion Salt. One of its largest customers, Swire Shipping requires ISL to handle a large volume of cargoes on its multi-purpose and container vessels including containers, logs, sawn timber, other forestry products, steel, aluminium and oversize delicate items. ISL also load charter vessels on behalf of two of New Zealand's largest onion exporters. The company has significant expertise in handling bulk fertiliser, other imported agrichemicals, animal and feed supplements.

*"Independent Stevedoring has provided Swire Shipping Line, stevedoring services for a number of years. Their service delivery has always been efficient and flexible, with a focus on improving operations."*

*"Their people are hands on, positive, willing to help and get involved. They are innovative and reinvest in their business by upgrading and introducing new equipment, which has enhanced productivity without compromising cargo care."*

**Geoff Diggle, Operations Manager, Swire Shipping**
